

YOUR PASTORAL PLANNING

As you unpack the diverse array of ideas for pastoral initiatives from the 2019 Diocesan Assembly:

- A. **Gather** your community – sharing hopes and dreams/vision and mission as a Christ-centred Church
- B. **Dream** what is possible in line with vision
- C. **Design** – prioritise according to vision
- D. **Deliver** – enacting your pastoral plan using SMART goals:
(Specific/Measurable/Achievable/Relevant/Time-based)
- E. **Review** – how are we going? Is our community engaged? What remains to be done?
- F. **Mission** – How does what we do in our community further the mission of Christ?
- G. **Keeping** our community in the loop – regular updates and asking for input and involvement.

Theme	What have you valued? What is working well?	What is God calling your community to at this time?	How might we act and what might we do in our community?	Who can we invite to participate?
